- Start in the corner, walking down the quarter line
- Walk a circle, tracking left around the orange cone
- When finished with the circle, continue on the diagonal towards the center of the ring
- At X (center of the ring) halt your horse
- After the halt, proceed towards the purple cone walking two strides.
- Transition to the posting trot, continuing down the diagonal
- Complete a circle around the purple cone, tracking left
- When finished with the circle, continue down the quarter line
- Turn right, towards the poles
- Before the 1st pole, transition to the walk
- Walk over the pole and transition to a halt
- After the halt, walk over the 2nd pole
- After walking over the pole, transition to a sitting trot
- Continue to the rail, at a sitting trot, and turn to the right, tracking down the rail
- Ride a circle around the green cone, tracking right
- When finished with the circle, continue on the diagonal towards the center of the ring
- Transition to a walk before you reach the middle of the ring
- At X (center of the ring) halt your horse
- After the halt, proceed towards the blue cone walking two strides
- Transition to the posting trot, continue down the diagonal
- Complete a circle around the blue cone, tracking left
- When finished with the circle, continue trotting to the rail
- Transition to a halt facing the rail

May '19 Beginner Pattern 2 Members Only

- Start in the middle of the long side of the ring, facing the opposite wall
- Walk towards the opposite wall, over the first pole
- In the middle of the 1st pole and the 2nd pole, transition to a sitting trot
- Continue at a sitting trot over the 2nd and 3rd pole
- After trotting over the 3rd pole, continue at a sitting trot tracking right
- Continue down the rail and perform a 1/2 circle around the yellow cone
- Continue tracking down the quarter line at the sitting trot, tracking left
- Between the poles, transition to a posting trot
- Start a cone weave, tracking to the right of the blue cone
- Between the blue and orange cones, transition to a halt
- After the halt, transition to a walk
- Continue the weave
- Between the orange and green cones, transition to a halt
- Transition to a posting trot, continuing the weave to the right side of the green cone
- Continue at a posting trot
- Between the two poles, transition to a sitting trot
- Continue at a sitting trot, towards the red cone
- Start a figure 8 around the red cone, tracking right
- Between the red and purple cones, transition to a posting trot
- Continue the figure 8 around the purple cone, tracking left
- Finish the figure 8, transitioning to a walk when the figure 8 is complete
- Walk a few strides
- Transition to a halt
