

Sept '19 Beginner Pattern 1

- Start in the middle of the long wall
- Walk towards the center of the arena for a few strides
- At the short end of the arena, turn to the right, continuing at the walk
- After a few strides, turn to the right towards the opposite short wall
- Proceed over the pole, continuing at the walk
- In the middle of the arena, transition to a posting trot
- At the short end of the arena, turn to the left, continuing at the posting trot
- After a few strides, turn to the left towards the opposite short wall
- Proceed over the pole, continuing at the post trot
- In the middle of the arena, transition to a sitting trot
- At the short end of the arena, turn to the right, continuing at the sitting trot
- After a few strides, turn to the right towards the opposite short wall
- In the middle of the arena, transition to a halt
- Maintain the halt for a minimum of 20 seconds
- Transition to a rein back for 4 strides
- Transition to a posting trot, continuing to the short wall
- Before the short wall, perform a small circle tracking right, over the pole, at the posting trot
- At the short end of the arena, transition to a sitting trot and turn to the left
- After a few strides, turn to the left, continuing at the sitting trot, towards the opposite short wall
- In the middle of the arena, transition to a posting trot
- At the short end of the arena, turn to the right, continuing at the posting trot
- Perform a large teardrop towards the middle of the ring
- Track down the quarter line and transition to the walk
- In the middle of the arena, transition to a halt
- Transition to a sitting trot
- Perform a small circle tracking left
- Transition to a halt

Sept '19 Beginner Pattern 2

- Start on the short wall of the arena
- Transition to the walk
- Continue to the orange cone, tracking left around the cone, starting a figure 8
- Between the cones, transition to the posting trot
- Continue to the red cone, tracking right around the cone, completing the figure 8
- Between the cones, transition to a sitting trot
- Continue to the blue cone, tracking left around the cone, starting the figure 8
- Between the cones, transition to a halt
- Transition to a walk
- Continue to the green cone, tracking right around the cone, completing the figure 8
- Between the cones, transition to a posting trot
- Continue to the purple cone, tracking left around the cone, starting a figure 8
- Between the cones, transition to a sitting trot
- Continue to the yellow cone, tracking right around the cone, completing the figure 8
- Between the cones, transition to a walk
- Walk towards the short wall
- Transition to a halt

***After the halt, you may change directions and complete the same pattern tracking the opposite direction
