

Beginner Pattern 1

- Set up two ground poles down the centerline. Set up two cones on each side of the ground pole, a distance away.
- Start at a walk tracking right on the rail, walk a circle around your first cone (orange), then proceed down the rail.
- Halt after you have completed a few strides down the rail.
- Continue at a walk and weave your cone (green)/pole/cone(purple) to the other side of the ring.
- Transition to a trot (posting or sitting) down the rail.
- Circle around your cone(blue) at a trot.
- When you have completed your circle, transition to a halt.
- Continue on at a walk.
- Before you turn to go down the centerline, transition into a trot (sitting or posting).
- Continue to trot over your ground poles.
- After you have gone over your ground poles, transition to a walk.
- Halt at the end of your centerline.

Beginner Pattern 2

- Set up four cones in a line down the centerline. Set up three poles, as shown, towards the rail of the arena.
- Start your pattern at a walk, weaving your cones. You need to go to the top or left or the first (orange) cone.
- When you have completed the weave, continue tracking left.
- Before you come to the rail, transition to the trot (posting or sitting).
- Trot down the rail and over your pole.
- Continue trotting , tracking left, to the other side of the arena.
- Transition down to the walk.
- Walk over your 2nd pole.
- After you have crossed over your pole, transition down to a halt.
- Continue at a walk for a few strides, then transition into the trot (sitting or posting).
- Trot over your 3rd pole, then continuing to trot turn down your centerline.
- Weave your first cone (purple) with a transition to a walk in between the 1st cone (purple) and the 2nd cone (blue).
- Walk to between the 2nd cone (blue) and 3rd cone(green). Transition to a halt.
- Transition to a trot (sitting or posting). When you have passed your last cone (orange) transition to a walk.

Beginner Pattern 3

- Set up 4 poles in a box in the middle. Set up 3 cones along the end of the arena in a line. Set up one cone in the upper left corner of the arena.
- Walk over the poles, then turn tracking right continuing at the walk.
- When you reach the pole, transition to a posting trot.
- Trot through the middle of the square.
- Once you have exited the square, transition to the sitting trot.
- Proceed to weave through the cones (green-purple-blue) at a sitting trot and continue towards the box.
- When you reach the box, transition to a posting trot.
- When you reach the wall, transition to a sitting trot.
- Do a circle around the cone(orange) at a sitting trot.
- Proceed at a sitting trot down the centerline.
- Transition to a walk before you reach your first ground pole.
- Walk over your ground poles.
- After you have cleared you ground poles, halt your horse.
- Proceed at a walk to the rail after your halt.
