

## Members Only Dec '19 Beginner Pattern 1

- Start in the middle of the short wall
- Walk towards the middle of the arena, tracking to the left of the orange cone
- In the middle of the orange and blue cone, transition to a halt
- Perform a rein-back(back up) of 4-5 strides
- At the completion of the rein back, transition to a posting trot
- Continue at the posting trot tracking to the right of the blue cone and the left of the purple cone
- In the middle of the purple and yellow cone, transition to a halt
- After the halt, transition to the sitting trot
- Continue at the sitting trot to the right of the yellow cone
- Continue at the sitting trot, tracking left on the rail
- Perform a circle, tracking left, at the sitting trot at the beginning of the long wall
- Transition to a posting trot after the circle is completed
- Continue at the posting trot down the rail
- Perform a circle, tracking left, at the posting trot at the end of the long wall
- Continue at the posting trot on the rail, down the short side
- Transition to a walk before the end of the short side
- Continue, at the walk, performing a change of direction through the diagonal
- Walk over the first pole
- Perform a halt in the middle of the change of direction
- Perform a rein-back (back up) of 4-5 strides
- After the halt, continue at the walk through the rest of the change of direction and over the second pole
- Continue at the walk, tracking right on the rail
- Transition to the posting trot in the middle of the short side
- Continue on the rail at the posting trot
- Perform a circle, tracking right at the beginning of the long wall
- Transition to a posting trot after the circle is completed
- Continue at the sitting trot, tracking right on the rail
- Perform a circle, tracking right, at the sitting trot at the end of the long wall
- Transition to a halt at the completion of the circle
